

Türkmennebit SC on behalf of the tender commission announces №306/2 open tender for the purchase by the following lot:

Lot – Automated system for control and optimization of oil production from wells equipped with sucker rod pumps

Potential bidders are invited to submit to the address of the Türkmennebit SC:

- an application (from companies registered or having bank accounts in offshore zones, applications are not accepted) about the desire to participate in the tender, indicating the full name of the participant, legal status, country of registration and details;
- get acquainted with the Law of Turkmenistan On tenders for the supply of goods, performance of work, provision of services for state needs, with an extract from the Tender Rules and a list of documents required to participate in the tender;
- get the specification of the lot, technical requirements and basic terms of the contract;
- receive an invoice for payment of funds in the amount of 1725 US dollars (including VAT) or the equivalent in manats for one lot for participation in the tender free of charge.

Proposals are accepted directly from manufacturers.

Bids are accepted within 30 (thirty) business days from the date of publication of the announcement until 16.00 local time.

The account for the transfer of funds will be indicated after submitting a written application.

One sealed envelope with a full tender offer (quotation), certified with a mastic seal, must be delivered to Turkmennebit SC's address from the moment the announcement is published and is accepted for consideration after the funds are credited to the account.

The tender envelope must include an electronic version of the questionnaire, the main terms of the contract (in the Word format) and the technical and economic specification (in the Excel format).
