Turkmengas announces tender for purchase of technological equipment

Turkmengas State Concern announces tender №T/GAZ-056 for the purchase of material and technical resources for the needs of Turkmen Gas SC

Lot No.2 – Technological equipment

Lot No.3 – Control and measuring equipment

Parties are invited to the address of Turkmen Gas SC:

- to submit a written application (from companies registered or having Bank accounts in offshore zones, applications are not accepted) about the desire to participate in the tender with the full name of the participant, its legal status, country of registration and details;
- get acquainted with the Law of Turkmenistan on tenders for the supply of goods, performance of works, rendering of services for state needs, the Rules of the tender and the list of documents required for participation in the tender;
- get the specification of lots, technical requirements and the basic terms of the contract;
- receive an invoice for payment of funds in the amount of 500 US dollars or the equivalent in manats (without excluding VAT and bank costs) for one lot for participation in the tender free of charge.

All necessary information can be downloaded [here](#).

Tender offers are accepted until 12.00 – 04.12.2023, local time.

The account for the transfer of funds will be specified when submitting a written application.

One sealed envelope with a full tender offer (quotation) certified with a mastic seal must be delivered to the Turkmen Gas's address from the moment of publication of the announcement and accepted for consideration after receipt of funds to the account.

The tender envelope must include an electronic version of the questionnaire, the main terms of the contract (in the Word format) and the technical and economic specification (in the Excel format).
