Administration of Dashoguz province announces a tender for the construction of overhead power lines

28.03.2024 - 13:42

The administration of Dashoguz province, in compliance with the National Programme of the President of Turkmenistan on the transformation of social and living conditions of the population of villages, settlements, towns of districts and district centres for the period up to 2028, announces a tender to select contractors for the construction of water supply, sewerage, highways and overhead power lines, which are to be constructed in 2024

Officially registered local enterprises of Turkmenistan are invited to participate in the tender.

To participate in the tender parties need to:

- submit a written application for participation in the tender, indicating the full name of the company, legal status, information about the official registration in Turkmenistan;
- information on the financial and technical condition of the enterprise;
- for private companies, it is necessary to provide a copy of the registration certificate of entry into the Union of Industrialists and Entrepreneurs of Turkmenistan;
- information regarding the provision of similar services.

Tender proposals are accepted until April 12, 2024.
