# Turkmen Chemicals Announces International Tender for High-Quality Salt Production Facility Construction

05.11.2024 - 11:23

**Türkmenhimiýa (Turkmen Chemicals) State Concern on behalf of the tender Commission announces an international tender for the design and "turnkey" construction of a facility for the production of high-quality salt varieties based on the raw material resources of Lake "Guwly" located in the Balkan province of Turkmenistan**

Parties are invited to the address of Türkmenhimiýa SC to:

- submit a written application (from companies registered or having Bank accounts in offshore zones, applications are not accepted) about the desire to participate in the tender with the full name of the participant, its legal status, country of registration and details;
- receive package of tender documents by paying \$1,725 (one thousand seven hundred and twenty five) including VAT or the equivalent in manats at the rate of the Central Bank of Turkmenistan (for residents of Turkmenistan) for each package of documents.

Tender proposal packages will be accepted only upon confirmation of the participation fee payment.

The deadline for submitting tender proposals is 30 (thirty) business days from the date the announcement is published in the Neutral Turkmenistan newspaper.
