# Turkmenistan's Ministry of Textile Industry Extends International Tender for Textile Complex Construction

14.12.2024 - 11:05

**The Ministry of Textile Industry of Turkmenistan extends international tender for the design and turnkey construction of a Textile Complex in the Saparmurat Turkmenbashi district, Dashoguz province**

Local and foreign companies with experience in the supply and installation of technological equipment in accordance with the established requirements are invited to participate in the tender.

All interested parties are invited to:

- submit a written application for participation in the tender, specifying the full name of the participant, its legal status, country of registration, and bank account details.
- familiarize yourself with the tender conditions and the list of required documents for participation.
- obtain the technical specifications and the tender documentation package.
- pay 345 (three hundred forty-five) US dollars + 15% VAT.

Tender proposals will be considered only after receipt of payment in the account of the Ministry of Textile Industry of Turkmenistan.

The deadline for submitting proposals is thirty days from the date of publication.

Note: Tender proposals will not be accepted from companies registered in or holding bank accounts in offshore zones.
